For the BMW owner who wants to look as smart and as special as his car in true BMW fashion.

Gifts

Always smart and stylish, for those who only want to associate with the best.

Safety

The pleasure of driving your BMW comes from the confidence you have in it. Your BMW was designed with safety as a prime consideration, and to increase your confidence and driving performance, we offer a complete

range of safety accessories to suit all your requirements.

Safety is a major element in the enjoyment of your BMW. Make sure you are well equipped to handle even the most unlikely eventualities.

Warning Triangle: Highly reflective in compliance with EEC standards. Substantial metal base ensures stability in use. Collapses for storage in tough plastic case.

Warning Lamp: A multi-function warning lamp and torch. Central switch offers a static or flashing orange beacon or normal torch operation. Complete with bracket for rear mounting and stable base for use on the ground.

Fire Extinguisher: A 1kg fire extinguisher complete with secure, rattleproof mounting. Complies with DIN standards, and is suitable for fire classes ABCE.

A – Combustible solids (eg. tyres – upholstery etc.)
B – Combustible liquids (petrol etc.)
C – Combustible gases (propane etc.)
E – Classes ABC but under conditions of electric current.
Full instructions supplied.

Fog Following Lamps: Will ensure that your car is clearly visible from the rear in adverse weather conditions. Includes push button dashboard switch and warning light.

(Right)

First Aid Cushion: Cushion contains hygienically sealed first aid kit. Offers comfort during normal conditions and first aid in emergency.

First Aid Box: Comprehensive kit in tough plastic box. Fits inside rear armrest on 7 Series cars.

Headlamp Wash/Wipe System: Operates in conjunction with screenwash system. Enables maximum performance from your lights under all driving conditions. Available for both single and double headlamp systems.

Electrically Adjustable Door Mirror: Available for both driver and passenger doors. Enables exact mirror adjustment by switch control. (Inset) Lens designed to give optimum range of vision.

Halogen Fog/Spot Lights: Excellent beam spread and minimum glare. Purposely designed for individual models. Kit includes all mountings and switch to match dashboard.

Double Dip Headlamp Conversion Kit: For twin headlamp vehicles – enables the safe use of all four headlights when dipped. Offers considerably improved night visibility.

Air Horns: Powerful compressor and twin horns ensure that you will be heard. Complete with fitting kit and electrical relay.

Touring

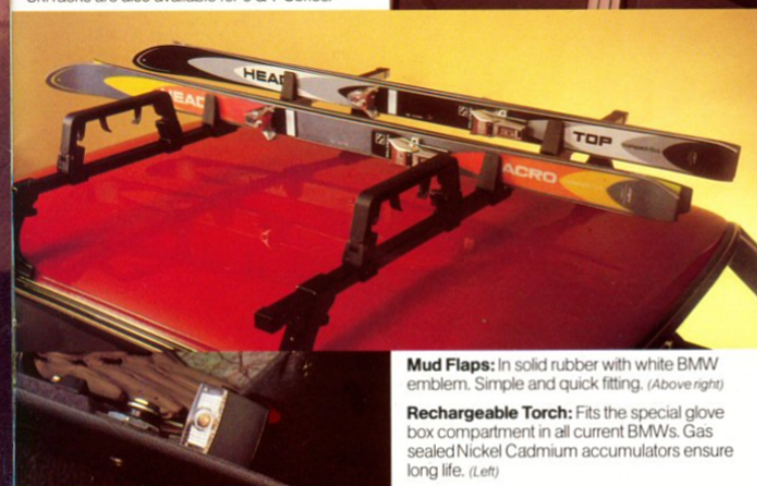

Driving your BMW on a long journey is a pleasurable experience. To add to that pleasure, we have available a comprehensive range of

touring accessories, to equip you for any eventualities. This will give you the confidence to tackle any journey, however long it may be.

Touring Kit: A compact emergency parts kit. Neat polystyrene pack contains, spark plugs, plug cap, rotor arm, distributor cap, fan belt and fuel injection belt, where applicable. Available for individual models.

Roofrack System: This ingenious system starts with two basic supports. Onto these fit special attachments to carry a dinghy – deep or shallow hulled, a wind surfer, canoes, bicycles and skis – in box or clamped, as well as the normal luggage rack. Available for 3 & 5 Series. Ski racks are also available for 6 & 7 Series.

Mud Flaps: In solid rubber with white BMW emblem. Simple and quick fitting. (Above right)

Rechargeable Torch: Fits the special glove box compartment in all current BMWs. Gas sealed Nickel Cadmium accumulators ensure long life. (Left)

Tow Bars: Individually designed for each model. Available with detachable or permanently fixed head. Will equal the maximum load recommended for your car. Electrical installation kit is supplied separately. (Right)

Towing Mirror: Fits without drilling, and is instantly detachable. Large vibration-free lens gives optimum rear vision. (Left)

Snow Grips: Quick, clean and easy fitting. Fold away for boot storage. Simple alternative to snow chains. (Right)

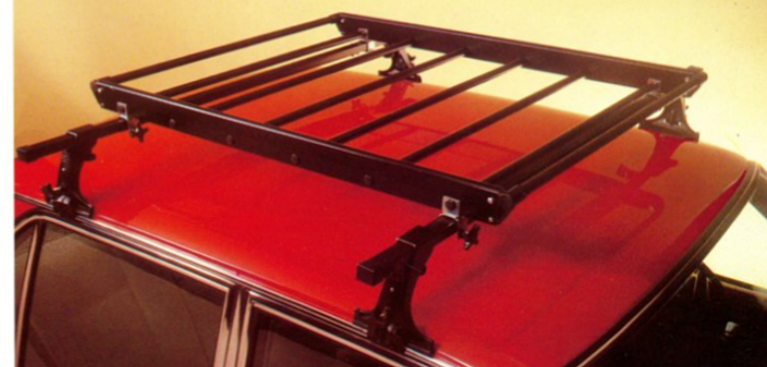

(Right)

Boot Case: Mounts simply inside boot without special fittings or drilling. Carries all those items which usually roll around your boot! Robust construction, instantly detachable for use outside your car.

Tow Rope: High quality nylon rope with strong easy fit shackles. Complete with protective sleeves. Length 4.5 metres. Max load 2,800kg.

Bulb Kit: Spare bulbs and fuses according to model. Packed in strong plastic box.

Touch Up Paints: Matched to original factory colours. Choice of pencil brush for scratches and stone chips or aerosol for larger jobs.

Comfort

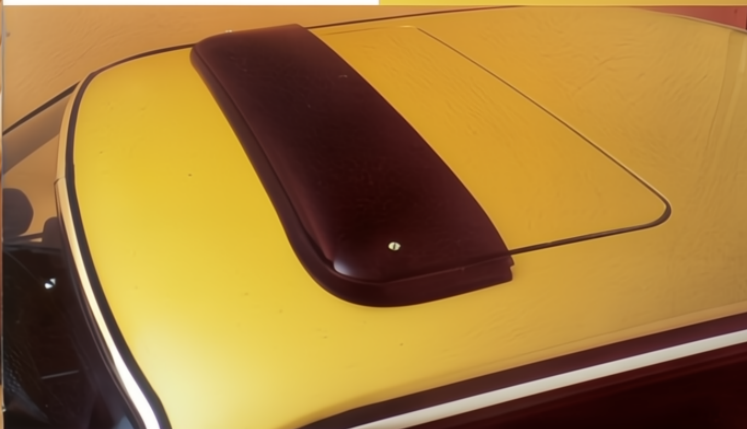

Every BMW has been designed to achieve a balance of power and comfort to keep you poised and relaxed.

However if you wish to personalise your BMW and demand even greater

comfort, we have available a range of accessories specially designed to blend with the original. Our range will satisfy even the most discerning BMW owner.

Sunroof Wind Deflector

Tough tinted plexiglass, designed to reduce wind noise and draughts from an open sunroof. Suitable for manual or electric sunroofs.

Rear Blind

Reflects sunlight – reducing the inside temperature of car. Particularly beneficial to rear seat passengers – especially young children. Adjustable angle – available in black or cream.

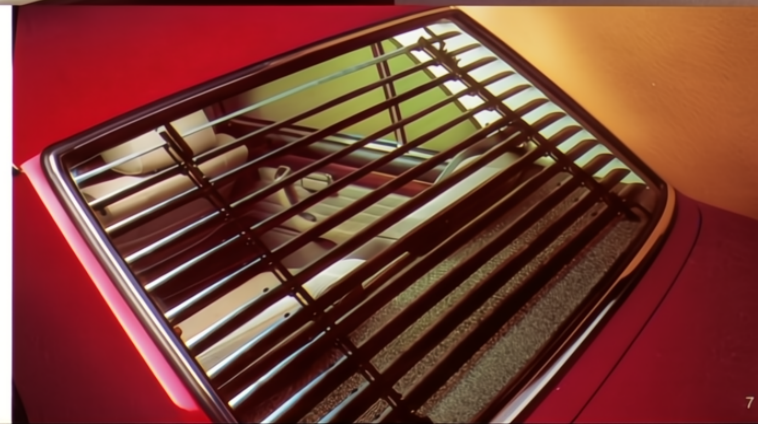

Child Comfort Seat

Manufactured with a strong chromium plated frame. Covered in easily cleaned, ventilated material. The seat has upright and reclined position for sleeping. Webbing safety harness has central release button. Suitable for children up to 18Kg.

Gear Knobs

Available in turned, polished wood or black leather, both with BMW roundel.

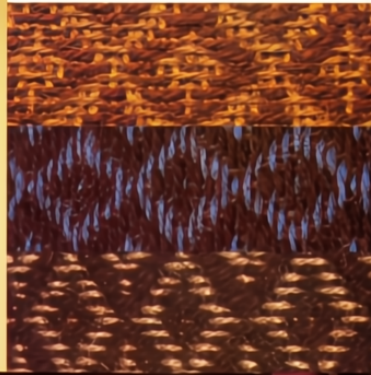

Comfort

Coconut Floor Mats

Heavy woven coconut fibre, with strong rubber backing. Individually tailored in sets of 4 for 3 & 5 Series cars. Drivers mat has protective heel pad for extra durability. Simple non-slip fitting with Velcro pads.

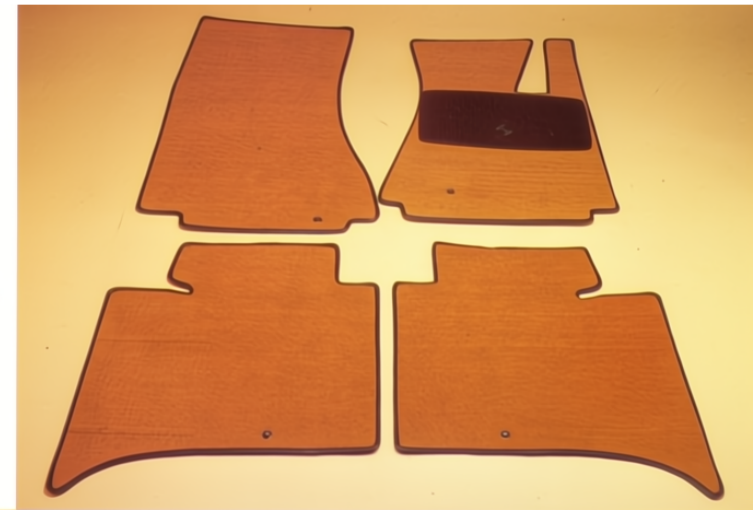

Available in colours shown.

Velours Floor Mats

Fine wool velours mats for 6 & 7 Series cars. Protective pad for drivers' heel. Non-slip backing with barr strip fastenings. Colours available blend with interior trim schemes.

Available in colours shown.

Sheepskin Floor Rugs

The ultimate in indulgent luxury! These skins are tailor made for all models. Available to special order in a wide range of colours.

Colours of Velours mats

Lamb wool Seat Covers

Knitted lambswool covers with black backing. Highly practical and attractive, in natural colour. Available for all seats and headrests.

Sheepskin Seat Covers

Tailored skins with deep pile fur. Cool in summer and warm in winter. In honey and charcoal to match interior trim schemes. Rear seat covers available to order.

BMW are known for their tradition in Motorsport and have a long history of racing success. Every car incorporates design features proved on the track. The exhilarating effect

achieved in driving a BMW is a result of 'controlled power'.

To enhance this we offer a series of accessories designed to match your BMW for style, safety and performance.

Front Spoiler

Developed in wind tunnel to reduce drag co-efficient thus improving performance and adding to high speed stability. Manufactured in tough fibreglass. Also available moulded rear spoiler which exerts a downward force at speed.

Motorsport Roadwheel

The ultimate alloy wheel. Developed over several years by our motor racing team. Each wheel is stringently X-rayed before factory release. Supplied with centre cap + bolts.

Sports Seat

Ergonomically designed to offer comfort and safety. Fully reclining with extending squab. Fabric finish in Motorsport livery. Made for BMW by Recaro.

Steering Wheel

Light alloy with thick leather rim. Two integral horn push buttons and detachable padded centre. Available in 350 mm or 380 mm diameter. Supplied complete with boss and necessary wiring.

Light Alloy Roadwheel

Designed for strength and appearance. Anodized finish for easy cleaning.
